Today we find Jesus in the temple of Jerusalem. Some Jews ask him if He is the Messiah, the Savior. Jesus regrets that they do not believe in Him. He has already performed a lot of miracles with the power conceded by God his father: Still they do not believe.

- Jesus says “The Father and I are one”: this is the moment in which Jesus declares himself as God. They did not want to believe in spite of the miracles. Do you? Do not forget one thing: in order to trust God we have to talk to him; we should pray!
