Today, Jesus Ascension is very near. After His resurrection, the Master had met several times with the Apostles. He has explained to them the Scripture and has prepared them for building up his Church. But the Disciples still have a lot to learn: they cannot assimilate everything yet...

- It happens the same to me: I need time to assume the richness of the Christian faith. How do we overcome this limitation? The Spirit of truth is with us. – Come, oh Holy Spirit, fill our hearts.
