

Body and Blood of Christ (C)

Gospel text (Lk 9,11b-17): Jesus then took the five loaves and two fish, and raising his eyes to heaven, pronounced a blessing over them; he broke them and gave them to the disciples to distribute to the crowd. They ate and everyone had enough.

Today we witness the miracle of the multiplication of loaves and fishes: it was a foreshadowing of the Eucharist. They all ate! They were satisfied! There was enough for all and left over! This is the Love of God: abundant until the Infinite.

- Centuries later, the generously sacrificed (and risen!) Body of Christ is still splitted and divided every day among millions and millions of his followers. There is enough for everyone: is just our lack of faith that put the "limits".
