

Sunday 27th (A) in Ordinary Time

Gospel text (Mt 21,33-43): «The stone which the builders rejected has become the cornerstone. This was the Lord's doing; and we marvel at it».

Today the parable is addressed particularly to the priests and notables of Israel. They are the farmers of the vineyard, that is, the shepherds of the people whom the owner (God) has put in their care. They have erased one prophet after another ... In the end, even Jesus Christ, the "cornerstone." His precious Blood poured out by those "homicidal farmers", thanks to His divine Love, has become a drink of salvation for us all.

- There we have it: in the Holy Mass! What the Lord has done is wonderful!
