Today the days of Advent begin. It is the preparation for Christmas, that is, the birth of the Son of God in Bethlehem. It's close! Jesus came to this world like you: within a family. His mother is Mary. God comes in silence. God is like this!: silent, discreet. We have to pray and pay attention ..., to discover him.

-St. Joseph takes great care of the Virgin: She already carries Jesus in her womb. And you? What do you say to Mary?
