Today we celebrate St. Mark while listening to the last words of his Gospel. After the Ascension of Jesus, the Apostles began to preach with impetus and resolution. The whole world! They evangelized with such force that they used every possible means: not only the word, but they also wrote down the life of Our Lord. Mark is one of four evangelists.

-And now? Well ... what has never been seen before! Internet! If the evangelists would have had access to Internet...!!! But somehow, they do. You can help them online. Here you have [evangeli.net](http://evangeli.net)! Cheer up!
